DENISE COTE, District Judge:

As stated on the record on April 25, 2024, it is hereby
ORDERED that the defendants' March 13, 2024 motion to
dismiss is granted as to the plaintiff's Monell claim insofar as
it relies on the defendants' failure to perform intake
procedures to identify inmates with physical vulnerabilities or
their failure to provide prompt medical attention.

IT IS FURTHER ORDERED that the defendants' March 13 motion
to stay this action pursuant to the Colorado River abstention
doctrine is granted. This action is stayed pending the
resolution of Sokolova v. City of New York, et al., No.
808818/2023E (N.Y. Sup. Ct.).

Dated: New York, New York
April 25, 2024

DENISE COTE
United States District Judge
